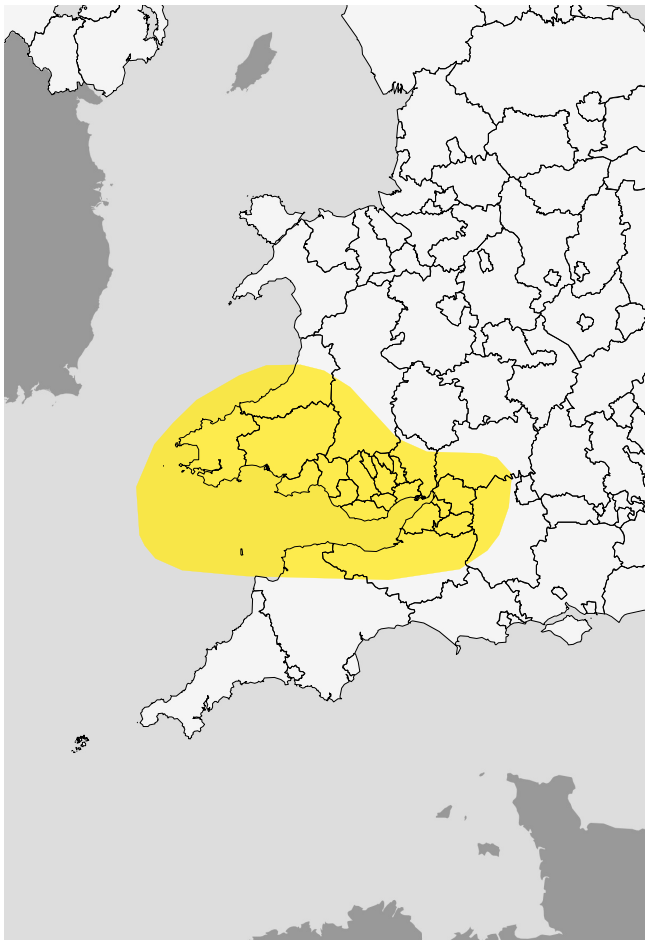
Thunderstorm

Between
05:00 Tue 24 Dec 2019 and
13:00 Tue 24 Dec 2019



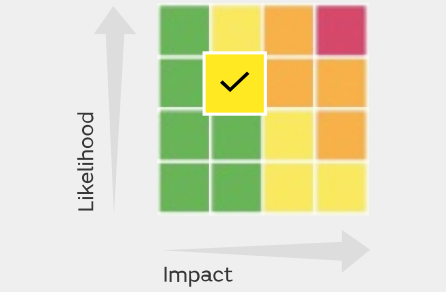
Rain, hail, lightning and squally winds in association with thunderstorms are likely to cause some impacts to travel during Tuesday morning.

What to expect

- Probably some damage to a few buildings and structures from lightning strikes
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is likely

Further details

Heavy showers and some thunderstorms are expected to move east during Tuesday morning. These will contain hail, which could briefly cover roads, a risk of lightning and also squally winds with gusts of 60 mph possible.



Medium likelihood of low impacts
